2025 COLLECTION OF THE YEAR SPARKLING WINE

“Mark Barth works meticulously to refine his sparkling wines, which are now at least as important to the business as his still wines. His ‘Ultra’ made from pure Pinot Noir has long been one of our favorites.“

VINUM WEINGUIDE | 4 STERNE

“As a member of the VDP working group for sparkling wines, Mark Barth contributed to the introduction of the VDP’s Sekt statute. A particular focus is placed on single-vineyard sparkling wines. And in this respect, the estate has quite a lot to offer. Outstanding sparkling wines consistently come from the Schützenhaus and Hassel vineyards. In the future, there will also be sparkling wine from the Wechselbrunnen vineyard. The current collection also includes a range of very good wines. We reward all of this with the fourth star.”

“...With this year’s collection, Mark Barth raises the bar once again: harmonious qualities at a top level. It’s worth moving up by half an ‘F’.”
